**2021 CATALOG**

*We are a community of Augustinian  
Nuns of Our Mother of Good Counsel  
Monastery in New Lenox, IL. Our vocation  
is wholly ordered to contemplation through a life of  
prayer, silence, simplicity, and manual work. Seven  
different times, throughout the day and night, we  
gather to offer praise to God and to intercede for  
the needs of the Church, families, and the world.*

*You have made us for yourself, O Lord, and  
our hearts are restless until they rest in you.*  
- ST. AUGUSTINE

*Each bead for your items is rolled by hand. When the beads have dried and cured we use them to fashion your rosaries and keepsake items. We hold you and your loved ones in prayer from the beginning to the end of each order.*

## FAQ

### *Do you only use roses?*

We can work with roses, carnations, mums, lilies, and most any flower. We do not use the stem or leaves.

### *Do the flowers have to be fresh?*

No. Flowers can be fresh, or years old, as long as they are not moldy.

### *How do I prepare my flowers?*

Cut the flower from the stem; place on dry newspaper or paper towel, and keep in a DRY area of your home. DO NOT FREEZE your flowers.

### *How many flowers do I need for a rosary?*

As a rule of thumb, one FULL size rose, or one LARGE carnation is generally enough for 1 rosary. Rosaries require 59 beads. Chaplets and jewelry or car items require less beads per item.

### *Will the finished beads be the color of my flowers?*

No. All items are made in the traditional black unless a specific color is requested at the time of the order. There is an additional fee of \$10 for color per rosary; or \$5 for color per chaplet and any other item. Available colors are shown in the brochure.

### *How long will it take to make my order?*

Depending upon the size of your order, the usual turn around time is about 5 months. For especially large orders allow up to 6 months.

### *Do I have to pay shipping if I am planning to pick up my order?*

No. Shipping is only asked for orders not being personally picked up.

### *How do I ship my order to you?*

Wrap your flowers in layers of dry newspaper or paper towel. Place in a box or padded mailing envelope with your order form and check. We recommend you send flowers by FedEx, UPS, or Priority Mail with delivery confirmation.
