“ My condolences to Devon's family. I'm deeply saddened to hear of her passing. A recent conversation with Devon had made me laughing as she always made me smile and always gave me good advice. I will truly miss our heart to heart talks and her true understanding of what a good, loyal friend is. She was a wonderful mother! This world is not going to be the same without Devon in it. You all are in my thoughts and prayers. Devon, may you rest in peace and power.

“ My kids are best buddies with Chase from school. We are deeply saddened over the loss of Devon and heart broken for Chase. She was an AMAZING mom and kind person. Her and I worked on PTA events together, took our boys to see WWE, and took turns taking the kids sledding and alternating sleepovers. We love Chase and will always be here for him. May Devon Rest In Peace and may Chase have the love and support he needs during these unimaginable times.
