“ Aunt Jean you are truly missed. I remember going camping with you and your family so many times. Making S'mores over the firepit. Laughing all the time. Going over the phone with you crocheting and coming over to show you, that's how you got it. You were on top of the Who's Who list and how we are related down to birthdays, you're mind worked like Google's search engine Luann's eulogy brought tears of such goodness, joy and now sorrow. We miss you so much Aunt Jean, you are now with Ervie at peace in Heaven forevermore.

“ Jean has been a special part of our family for over 40 years. We shared vacations, camping weekends, and decades of life together. She was a babysitter but more like a grandmother to our children. She was someone who touched our hearts and a part of our family. We will miss you so much Jean. Now rest at peace and give my best buddy a squeeze for me.

“ Aunt Jean, you are surely missed, already. You were so funny dancing in your seat at sunny hill when the Lawrence Welk singers were on, your face was lit up, arms up in the air, beebopping ..lol... and you knew who the singers and dancers were!!! Wow! We could always come to you if we needed to know who someone was, How old they were, or when their birthday was. You were amazing. We love you and miss you! Darlene Hentsch
