“ Marcial and I had a special bond. Ever since we were small. We were together way too often. Twice a month Dad would take Felix, me and Marcial to confession and then treat us to the show.

Dad was a member of the LULAC way back in the late 50's. They would plan dances, dinners to raise money for the LULAC, There was a time where dad would take me and Marcial to the dances. Maybe we were dad's chaperones. Lol. For whatever reason, both of us were there one time and It was the last dance of the evening and I said, Marcial, lets dance. I dragged him to the dance floor and WE danced together. I was around 10 and Marcial was about 8. Since then, it has been nonstop, he stood up in my Wedding, we baptized Felix Jr. together, and we made trips to Texas together first for mom and then for dad. When I lost Marcial, I lost a piece of me that is so hard to overcome. MY pain eases a little when I think he is with our dear mom now and suffering no more. Thank you Barb, girls for allowing my brother to share his wonderful life with you. I love you guys always,

“ We offer our most sincere condolences to the family and friends of Marical. So sorry for your loss, we first met Marical in 1992 when we purchased Golden Hook Camp in Canada, Marical had already been a past guest of the resort for many years. For the next 20 years we looked forward to his group of friends coming to Canada for his annual Canadian fishing adventure, Marcial released many trophy fish so others could enjoy the same thrill. Marical was a true sportsman. He will be missed by all that knew him. R.I.P. Marcial.

“ Barbara, I was so very sorry to read of Marcial's passing in the Tribune. While he was in my college class, it was you with whom I share so many memories from our time in Spain. I don't really know how else to contact you. I will try writing to the funeral home.

“ I extend my sincere sympathies to the entire Palomo family. Marcial was a very special person who will be very fondly remembered by his many Eisenhower classmates. I will always remember our escapade following the 1967 snow storm. Several of us accompanied Marcial and his big, old car to the Palos toboggan slides. Due to the snow, we pushed the car as much as driving in it. There were hardly any other vehicles on the road. Marcial was determined that we would make it. When we finally arrived at the slides, they were closed as there was too much snow. Marcial was certainly a gentle giant of a person who was a quiet, unassuming star. He will be missed!

“ Jan and I have known Marcial for a relatively short time but in that time we have come to know him as one of nicest, most genuine people we know. He was a terrific family man.

Marcial was also an avid fisherman. I had the pleasure of accompanying him on two of his many trips to Canada. The most vivid memory of those trips was when Marcial chased a black bear out of the cabin in the early morning.

Our thoughts and prayers go out to Barb, Joy, Lynn and Gloria as well as all of the Palomo family.

“ Marcial was a great man. I'm happy I had the privilege of knowing him. My best memories of him are always going to be fishing in Canada. From the detailed itinerary/directions to the packing list down to the number of pairs of underwear...he was always making sure people were prepared and had a good time....and we did. All of us appreciated his hard work to plan those trips and I will always be grateful for having the opportunity to share the experience with him I will miss him and my love, thoughts and prayers go out to Mrs. Palomo, Joy, Lynn, Gloria and all the Palomo Family.

With Love,  
Dan

“ Marcial was a determined student and athlete in high school but my best memories are of his smile and genuine kindness to everyone. He accomplished many good things through his hard work and discipline but never was boastful or proud but rather delighted that he could make a worthy contribution to his team and school.

“ I attended St. Benedict Elementary School with Marcial Palomo. Marcial was a very nice and kind individual with always a smile on his face. The last time I saw Marcial was in 2007 at our D.D. Eisenhower 40th Class Reunion where I met with some of my classmates from St. Benedict. I was looking forward to attending the D.D. Eisenhower 50th Class Reunion and meeting again with Marcial and some of my classmates from St. Benedict. However, Marcial will be missed by all of his classmates. It was a pleasure attending elementary school and high school with Marcial. I give my sincerest condolences to Marcial's family. Carol Pate

“ Marcial was a wonderful professional for many, many years at Community High School District 218. He was an even better man from a very special family. Marcial's loss leaves a big void in the 218 family. I can only hope, moving forward, that we all choose to emulate Marcial and the man he was -- a man who was an excellent mentor and teacher to our children and a role model for his many friends and peers both in District 218 and our surrounding communities. Rest in peace Marcial.

“ We have been neighbors of Marcial, Barb and their girls for many years and were very saddened at this news. We often saw them taking their walks, training for the hikes they loved. We never saw Marcial without a smile and never heard him say an unkind word about anyone. Our hearts go out to Barb, Joy, Lynn and Gloria and pray you all will take comfort in the knowledge that you will be together again. May God comfort and hold you close.
